

'CKS Performance is your one stop shop for all your high performance vehicle needs'

### Completed vehicles – SLK R170

#### SLK320

#### Upgrades:

- Wald styling has been applied to the SLK320 above which consists of a new front and rear apron and side skirts. These fit to the original bumpers and are colour coded to match.
- Chrome roll over hoops have been fitted replacing the dull standard type.
- ECU upgrade has also been applied adding 20 bhp and 35lb/ ft torque, together with a 0.5 second shaving off the 0-62 mph timing.
